

Save the Date
June 11-12, 2018

Professional Development Day

Soil Science and Sustainability Teacher Workshop

Where:
Day1

**World Food Prize
Hall of Laurates
Des Moines**

Day2

**Corteva Agriscience
(Pioneer) Johnston**

Sign up for this course for continuing education or graduate credit. This course will provide teachers materials and lesson plans on Soil, Science and Sustainability. Course is open for free participation if you are not interested in taking it for credits. There will be a career panel, tour at World Food Prize Hall of Laurates and many other activities for teachers to take back to the classroom.
